

View From the Bridge

While the month of August was extremely active with the Salmon Derby, an outgoing cruise to Benicia, and the Classic Car Show, September has been quiet by comparison. The International Cruise will have concluded when you receive this newsletter, but at this writing, we haven't left yet. I will report on the success of the International cruise in the November Bugle with appropriate kudos and accolades to Lee Essayan, our "Cruise Master".

Please "reserve the date" for the annual Staff Commodore's Spaghetti Feed on October 13. This is an annual event and always great fun. Reservations usually "sell out", so an early call for reservations is encouraged. Also, the "Change of Watch" (Annual Meeting) with the black-tie dinner-dance is scheduled for November 10. The well known "Jules Broussard Band" will perform, I am sure you will be delighted to hear his great group play.

The Blue Water Cruise to Santa Cruz and Stillwater Cove will begin on October 4. Please contact Charlie McBride or Don Lesley for details. It is a great cruise, particularly if you haven't been offshore with the Club before. Additionally, our annual cruise to Tinsley Island is scheduled for October 19 under the direction of Bob Schaberg and Bill Olsen. I encourage you to sign-up soon; the Delta weather in October is delightful.

I regret to report the passing of Cele Mezzetta. Dan predeceased her last year and it should be noted that their membership dated back to 1970. She and Dan were very active members and were my neighbors on "C" dock. I always enjoyed their company immensely. On behalf of the membership, I offer the Club's sympathy to the surviving family.

I look forward to seeing each of you at the Club upon our return from the International Cruise.

Membership News

The Board of Directors accepted three new members at its August 27th meeting.

Latham & Jennifer Woodward

Latham Woodward and his wife Jennifer make their home in San Anselmo. They have a five year old daughter. Latham is a Marin County native who has sailed since his teens. He currently has a Coronado 23 which he plans to bring to the harbor.

Paul & Helen Watson

Paul and Helen Watson reside in San Rafael. They have two daughters ages sixteen and three. The Watson family is eagerly looking forward to being active in all of our Social activities.

John & Janet Holt

John and Janet Holt reside in Corte Madera with their son John who attends Sonoma State. They own a 38' Bayliner, currently berthed in the Delta, which will be joining us in our harbor.

The Membership Committee enthusiastically endorses all three of these couples and feels they will make excellent members. Look for their pictures in the entry way of the Clubhouse and for them in the dining room and the harbor.

Don and JoAnne Lesley

CAPT FAST RACE

O.K. all you racers, wanna be racers, retired racers and new racers lets get signed up for the Oct. 21st Capt. Fast Race and make this one big competitive, fun race. Please sign up at the office as soon as you can. Also, there sees to be a little confusion about the starting line. Simply put "Race Committee Boat shall be to your PORT." I hope we have some new racers join the gang and after the race lets meet at the club and swap stories and have some laughs about who crowded who and discuss all the right and wrong things we on the committee did....Happy Sailing
