Instructions for Applying for Membership

The Membership Committee can help with the following steps when you are ready to start the membership process:

1. Membership at MYC is by invitation only; applicants must obtain a sponsor (a current member of the club) and two seconders to apply. The membership committee chair may be able to help match you with a sponsor and seconders. Please contact us by email through the MYC website's "How to Join" tab if you need assistance.
2. Complete the membership application with a check for the Initiation Fee (required) and submit it to the MYC office. (Your initiation fee check will be held on deposit - not cashed - until your membership has been approved.)
3. The Club's current membership will then be notified of the applicant's desire to become a member of the Marin Yacht Club, and a two-week comment period will begin.
4. If results from the comment period and discussion with the Sponsor(s) are positive, the Membership Committee invites the applicant for an interview - usually held with other applicants on the third Wednesday evening of each month via Zoom.
5. Once the Membership Committee has met and recommends approval of the application, the Membership Chair presents the application before the full Board of Directors at their next monthly meeting for final approval.
6. If prospective members wish to berth a boat in the MYC harbor, they must first become a member or be well into the process. Once a member, boat owners are eligible to purchase berth rights or rent berths.
7. Please allow up to 60 days between submitting your application and final approval, depending on the completion of the submittal and meeting schedules.
