## Instructions for Applying for Membership

If you are ready to get started with the membership process, we are here to help you with the next steps:

1. Membership at MYC is by invitation only and applicants must obtain a sponsor (a current member at the club) and two seconders to apply. The membership committee chair may be able to help match you with a sponsor and seconders. Please contact us by email through the MYC website – "Become a Member" tab if you need assistance.
2. Complete the membership application, with a check for the Initiation Fee (required) and submit to the MYC office or to your sponsor. (Your initiation fee check will be held on deposit -not cashed-until your membership has been approved.)
3. The Club's current membership will then be notified of the applicant's desire to become a member of the Marin Yacht Club and a two week comment period will begin.
4. If results from the comment period and discussion with the Sponsor(s) are positive, the Membership Committee invites the applicant for an interview - usually held with other applicants on Sunday evenings in informal "Applicant Meet and Greets" or on the third Wednesday evening of each Month at the clubhouse.
5. After the Membership Committee has met and recommends approval of the application, the Membership Chair presents the application before the full Board of Directors at their next monthly meeting for final approval.
6. If a prospective member wishes to berth a boat in the MYC harbor, they must first become a member or be well into the process. Once a member, boat owners are eligible to purchase berth rights or rent berths.
7. Please allow up to 60 days, between submitting your application and final approval, depending on timing, completion of the submittal and meeting schedules.
